Cadoxton Primary School
Relationships Policy 2024-2025

Written by our children, for our children!

Knowing how to get along with others is a lifelong skill that enables us to be and become the Four Purposes.

How do we promote inclusiveness and a sense of belonging?

We value and respect other cultures and languages. We have everyone's languages around the school.
We always include people. We prioritise equity.
We never use offensive language that may make someone feel different.
We have zero tolerance for bullying.
We are becoming a School of Sanctuary and have Young Interpreters to help people belong. We wear a smile everyday!

"All behaviour is a form of communication."

What do we do to repair a relationship if things go wrong?

RESTORATIVE PRACTICE

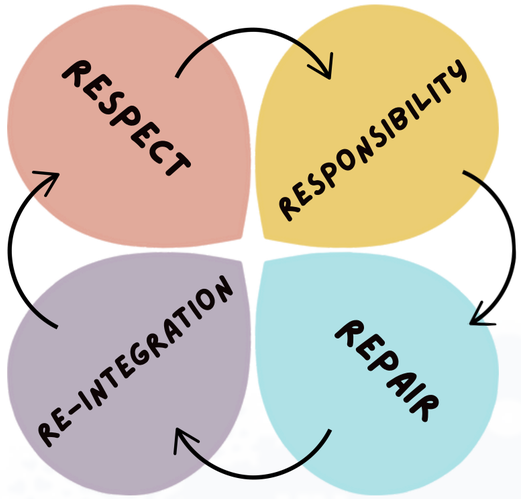

We listen to eachother so we can see each others' point of view.
We learn empathy.
We learn to take responsibility. We can apologise and move forward.
We learn from our mistakes so we don't repeat the same patterns.
These chats help us make the right choices and make it better.

The Promises are a commitment for everyone to make sure we have trusting, honest and open relationships.

We are committed to building strong, positive relationships with everyone to enable us to learn and thrive together as a community.

Our 4 Behaviours:

1. We are **safe**.
2. We are **kind**.
3. We are **respectful**.
4. We are the **best we can be.**
